

Foodiva®

FOOD AND SNACKS

Vegan

Welcome to Foodiva

Our skilled R&D team will collaborate with you to create the “perfect” product, whether that means coming up with new snack concepts or improving current recipes. We carefully conduct plant trials, make samples, and seek new ingredients when inventing your special goods. To assist our partners in being the first to market with innovation, we keep an eye on the industry’s pulse. Every project we take on benefits from the extensive industry knowledge and experience of our in-house team of food scientists and research specialists.

Who we are?

We are a manufacturing facility for puff chips with a wide variety of flavors and legumes. Our popular extruded puff chips include lentil, buckwheat, pea, quinoa, chickpea, corn, protein, vegetable, gluten-free, vegan chips and much more.

Our Culture?

At **Foodiva** we work together to create the best possible work environment, despite our diverse backgrounds and experiences. Our passion is to build a safe and secure company for us and our customers. Our goal is to help you find the best solution for you and your costumers. We understand that problems can arise, and when they do, we collaborate to find solutions. We work as one team, and we all win or lose together.

Capabilities?

We can produce simple circles and squares to more complex shapes like stars, hearts, flat, rings, cartoon characters and much more. Our extruded puff chips are available in a variety of flavors, from cheese, barbecue, ranch, sour cream and onion, spicy chili, garlic parmesan, and sweet flavors to more exotic flavors. This allows for a diverse range of taste experiences that can appeal to a wide variety of consumers.

Packaging?

At **Foodiva**, we offer a variety of packing options, both big and small, like pouches, cartons, and standard bags. Packaging plays a crucial role in preserving the quality and freshness of extruded puff chips. The choice of packaging material and design should be based on the product’s characteristics, target market, and distribution channels.

Partnership?

Are you looking for a business that values relationships, is committed to quality and innovation? Then Foodiva is the company for you. Our commitment to meeting your needs has been at the heart of our growth. We have proven over the years that we can deliver on our commitments to quality, consistency, and innovative puff chips.
